And did I miss a call today? Sorry – my schedule has been crazy this month. Landed in Kansas City this afternoon for a conference, and then I had to turn right back around and fly back to LA (on a plane now) for a family emergency. Sorry I have been such a flake lately.

Charter schools strengthen California's school system by offering more kids a great public education that puts their needs first. It's time for the Legislature to stand for ALL students! Learn how you can make a difference in the Capitol <https://info.ccsa.org/stand-for-all-students> .
